Each year, the club awards four \$500 scholarships to high school seniors involved in track or cross country. Eligible seniors attend high school in Winnebago, Calumet, or Outagamie county. Two female and two male recipients are chosen each year. We also award two additional Mark Werner Memorial scholarships, worth \$500 each. The first is open to all students meeting the requirements listed above; the second is open to any Appleton East High School student who has been involved in track or cross country. The direct link to the application is: <http://pacesettersrun.org/wp-content/uploads/2018/02/2019-Application1.odt>. If the link does not work, students can find the application under the Community heading of the PaceSetters web site (pacesettersrun.org). From there, select "PaceSetters Scholarship". Applications must be received no later than Friday, April 12. (F)

We are looking for details of the activities, programs or initiatives that they have implemented to support cancer patients and survivors. The \$1000 Award is to be used for educational purposes or to help the award recipient continue to carry out their mission of helping kids with cancer. Please consider helping out so we can make this the best Post Prom yet! <https://www.signupgenius.com/go/409054EAAAD22A7F94-diconcessions>
- NEEDED: Destination Imagination appraisers for the Regional tournament on Saturday, March 9th. The tournament will be held at the Hilbert High School this year. We are in need of **6** appraisers for the tournament as each team we have registered is required to supply an appraiser. Please consider helping out in this capacity. The time commitment is roughly **7AM to 3PM**. A light breakfast and lunch are provided. This is a great, fun volunteer opportunity for anyone 18 years or older. Pass the word along to family and friends! For more information or to volunteer, please email Terri at delvauxt@hilbertk12.org. Thank you.
- Due to the inclement weather over the last few weeks and knowing there is potentially a lot of winter left, we are taking the March 15th "early release day" and converting it to a full day of school for all students and staff in the district. Students will have their normal release time that day (Elementary School at 3:00 p.m. and Middle/High School at 3:11 p.m.). We are required to meet a specific amount of hours of instruction according to the Department of Public Instruction and we are getting close to that threshold. In changing the release time for March 15, we are trying to be proactive so that we do not have to add time at the end of the year in June. If you have any questions or concerns, please contact Tony Sweere, District Administrator at 920-853-3558 or sweeret@hilbertk12.org.
