

The Hilbert Wolves Athletic Boosters is a group of parents, coaches, staff and other interested parties whose focus is to enrich the Hilbert High School athletic community and the community at-large by providing financial support for high school co-curricular activities.

In addition to financial support, the Booster Club recognizes that participation in high school athletics benefits everyone; and the Booster Club promotes opportunities to build and strengthen relationships among all involved -- high school students, coaches, staff, parents and the entire community.

The Booster Club was formed in 2007, when concerned athletic staff and parents recognized the need to fund necessary items no longer economically feasible under the current school budgets. Club Members focus on fundraising activities to allow the purchase of these non-budgeted items. Requests for funds are presented by individual sport representatives at regular monthly meetings. Those requests are reviewed and approved by voting members present. Voting members include club officers and individual sport representatives.

Over \$75,000 Raised / \$59,000 Spent
thus far in support of Hilbert Athletics
