

Driver Education

- At 15 years six months old, you are eligible for obtaining tempts. You must have:
 - completed classroom phase of DE
 - passed written and sign test (given by Mr. Albers or Mr. Stumo)
- To receive tempts, you must bring the following to the DMV:
 - driver license application form (parent/guardian signature witnessed by notary public)
 - certified copy of birth certificate (from Register of Deeds in the county of birth)
 - Social Security card or other form of proof of identity
- Restrictions of the Instruction Permit (Tempt)
 - Can drive with a person with 2 years of driving experience, holds a valid regular license and is a:
 - driver education instructor or
 - parent or legal guardian (immediate family members can ride in back seat) or
 - a person 21 years old or older (permission by parent or guardian designated in writing)
- Need to have tempts for 6 months before taking drivers license test
- Thirteen weeks after obtaining tempts, use DMV website to set up drivers license test:
<http://www.dot.wisconsin.gov/about/locate/dmv/outagamie.htm>
- To receive driver license you must:
 - bring log sheet with at least 30 hours of driving shown (10 hours must be night driving)
 - bring proof of identity (certified copy of birth certificate, Social Security card, etc.)
 - not have had any traffic violations in the previous 6 months
 - pass the road test given by DMV employee
- Restrictions of Probationary License (for nine months)
 - Driving 5AM to midnight:
 - can drive alone anywhere
 - can have any number of immediate family members in the vehicle
 - can have one other person in the vehicle
- Driving from Midnight to 5 AM:
 - if driving between home, school, and/or work you can drive alone
 - if driving anywhere else, you need parent/guardian, any number of immediate family members, or one person who holds a regular drivers license
