

Important End-of-Year Checklist for Seniors

For seniors, their high school career is quickly coming to an end. Some of them may be jumping for joy; others may be starting to panic. Here's a short checklist of items seniors need to complete before graduation:

Career Portfolio – this is a graduation requirement.

- Complete and submit the portfolio for review. **(If this is not completed, he/she will not participate in graduation ceremony.)**
- **Prepare for the Mock Interview on May 1.** All seniors will have a mock job interview with a local business person-this is a great opportunity to practice their "people skills" and to experience what a real job interview is like. Their portfolio will be a part of the interview.

College/Technical College Checklist

- If you haven't been accepted yet...contact the college.
- Register for Placement Testing for UW System campuses.
- Sign up for new student orientation/registration at the college.
- Submit your FAFSA (if you have not already done so).
- Keep applying for scholarships.
- Check your emails and watch the mail for important college and financial aid information.

Going into the Workforce

- Start applying for jobs...check out local newspapers.
- Set up a time to meet with a staffing agency, such as Flexstaff.
- Attend Job Fairs.
- Visit Fox Cities Workforce Development.

Any questions, please contact Ms. Pospychala in Student Services.
