## WHO We Are

The Hilbert Parent Network is made up of parents, staff and community members interested in becoming a positive influence in the lives of our kids in Hilbert Middle School and High School. It is our intent to provide information to all families that want or need it, not just those who are able to attend our meetings.

Our philosophy is that the best way to become involved in our child's lives is to network with other parents to gain information, to demonstrate volunteerism and to become proactive opening the lines of communication between parents and the teenagers in our lives. Our ultimate goal is to unite parents in guiding our kids through the journey of their most formative years and help them learn how to make responsible and informed decisions.

## WHAT We Do

Hilbert Parent Network prides itself on initiating and being involved in many activities and fundraisers, as well as financially supporting many requests of our student groups and faculty.

Some of the initiatives, activities and fundraisers that Parent Network is involved in include:

**Sponsoring the Middle School Mixer.** This annual event takes place during the Middle School Halloween Dance. As the students enjoy the dance, parents gather in the Elementary School Library and can get to know other Jr. High parents in a relaxed, open forum, encouraging discussion of topics of concern. This is an excellent opportunity to meet teachers, and learn about our exceptional guidance program. You will also get the opportunity to meet our police liaison officer and will gain invaluable insight on things that may be occurring or are of concern in our School District. Refreshments provided.

- **Recognition Programs.** Parent Network takes great pride in supporting, and recognizing all of our students who participate in extracurricular activities offered by our school. We host rehearsal dinners for our musical production cast and provide donations of food, refreshments or treats for our state-bound students and athletes. We also recognize our great teaching staff during Teacher's Appreciation Week.
- **Fundraising.** We host bake sales and provide delicious desserts and sell floral during intermission of the High School Musical.
- **Grandparent Greeter Program.** This positive program, coordinated and sponsored by the Parent Network, blends senior citizens of our community and our young students as the seniors cheerfully greet students with a treat when they come to school in the morning. This is a monthly program.
- **Post Prom Party.** This is one of the most anticipated events of our high school students. This lock-in style party offers a safe, healthy environment for students to "party after the prom". Parent Network members help the School District raise funds, plan and chaperone the party.
