Working TOGETHER To Keep OUR TEENS SAFE!

Prize Ideas:

Dear Business Owner/Community Member,

Cash Prizes

The Hilbert Parent Network is a group of parents in partnership with our school district, dedicated to providing safe and positive options for our teens. The Post Prom party is our largest event of the year. We are so proud of this event. We are the only high school in Calumet County that puts on a post prom event to keep our kids safe. We can boast that we have a 75% attendance rate. As parents, we feel strongly about providing an event to deter our teens from negative and unsafe post prom choices.

We provide a night of entertainment, activities, and refreshments, with over 100 prizes for students and their guests. The Parent Network raises funds throughout the year, but without additional contributions, this event could not be possible. We are hoping that your business can help us.

Your business is important to our community and we are graciously asking your business to consider helping us make this year's event possible. This is the perfect opportunity for you to promote your business by donating some of your products or by donating gift cards for your business. Let's all work together to make this happen.
