Boys Basketball

The University of Wisconsin-Whitewater will continue the tradition of providing outstanding basketball camp instruction in a fun and competitive atmosphere. Our goal is to teach the fundamental building blocks that develop great players while creating a fun and exciting learning environment!

We offer a low camper-to-coach ratio, which allows campers to learn more effectively while enjoying their experience. It is our hope that each camper will have a better understanding of basketball skills and all the intangibles upon completion of the camp that will make them a successful teammate, player, and person

We hope you will join us this summer.
